ISMAA Bangalore Chapter Annual General Meeting

The Century Club in Bangalore was abuzz on April 6th, 2024, with excitement as alumni from various eras gathered under one roof. The Annual General meeting of ISMAA Bangalore chapter was closed with the announcement of the new committee (2024-2026)

Inspiration for Young Minds

An inspiring keynote address was delivered by our alumni Dimitrov Krishnan (class of 1993) who is the MD of Volvo CE India. The event was graced by the presence of our esteemed alumni Mr. David Pichamuthu & Mr. S Padmanabhan, (class of 1960), who shared their invaluable experiences with us. Mr. Vipul Kumar, IPS, PhD, (class of 1993) encouraged the young alumni to dream big and leverage the strength of our community. His words were a beacon of motivation for all present.

An evening of fun and fellowship

The meet concluded with interactive games, networking opportunities, and a delightful dinner, leaving us all eagerly anticipating our next gathering. As we reflect on the success of this meet, we are filled with anticipation for the next one. Let's continue to build on the legacy of the Indian School of Mines and foster a community that supports and celebrates each other's achievements.

The Entrepreneurial journey of ISMites

A panel of young alumni entrepreneurs, including Nikhil Mittal, Satyam Baranwal, Abhishek Agarwalla, Kunal Abhishek, & Shilpa Abhishek, engaged in a thought-provoking discussion. They delved into topics such as the allure of entrepreneurship, the timing for venture capital, overcoming initial challenges, achieving work-life balance, and the potential of Indian entrepreneurs on the global stage.
